Thanks, Gail. I've forwarded this on to DOJ for signature on Monday.

Gail, Craig: Please make sure we have signatures on behalf of UP and BN on Monday as well.

Thanks again.

Subject: Wallace Yard and Spur Lines Site - Tolling Agreement

Cliff and Craig,

As we discussed in this morning's call, I attach a revised Tolling Agreement. This is the same as the agreement signed in April except that the ending date is now July 31, 2009. Please call or email if you have any questions or comments.

Have a good weekend,
